## 3. Racing Information

With such a small tournament we have had to build in several half hour breaks to allow for enough rest time between races for dogs and there will be a lunch break both days as well.

We will be using 30 inch jumps.

Warm-ups will be 2 minutes (at least – although don't go crazy).

**Judges:** Head Judge Tom Lamont with relief judges Cindy Henderson and Lorraine Messier as needed

There will be line judges however no box judges – the head judge will make calls at the box with the assistance of the line judges as needed.

A 7<sup>th</sup> dog can be listed on the timesheets but is only allowed to warm-up, they can not race in any actual heats. The 7<sup>th</sup> dog must have a CRN and is subject to all rules during the warm-up period.

Remember no false starts. Tell the judge before warm-up ends if you would like a practice start.

All Divisions are a 4 of 4 format.

One point will be awarded for each heat one.

Placements based on number of heats won.
